5th Prep to 6th Prep Summer Reading 2018

May 29th, 2018

Dear Students,

Reading year-round is a key step to becoming a great reader and a lifelong learner. Reading boosts critical thinking, increases vocabulary, and improves memory and writing skills. Reading during the summer ensures that you do not lose the literacy skills you gained throughout the school year.

All students are required to read *When You Reach Me*, by Rebecca Stead during the summer to foster the skills described above. You will need to login to your **Go Formative** account and enroll in the class “**Summer Reading 6th Grade**” by clicking “Join a Class or Assignment” and using the **Class Code: SSQUSP**. You are required to complete all the reading comprehension questions posted. Please make sure you work independently, answering the questions in complete sentences, and using only the novel as a reference. No additional outside sources should be consulted. If necessary, you may print out the questions from the website and submit handwritten answers upon your return to school.

This assignment will be due the first week of class, and will serve as your first project grade of 6th Prep. *When You Reach Me* will serve as the book for our first unit in class; therefore, you will have additional assignments connected with the book during the first quarter. Have a wonderful summer and happy reading!

Sincerely,

Your 6th Prep Language Arts Teacher
