6th Prep to 1st Form Summer Reading 2018

May 25, 2018

Dear Students,

Reading year-round is a key step to becoming a great reader and a lifelong learner. Reading boosts critical thinking, increases vocabulary, and improves memory and writing skills. Reading during the summer ensures that you do not lose the literacy skills you gained throughout the school year.

All students are required to read *The Outsiders*, by S.E. Hinton during the summer to foster the skills described above. You should enroll in the class “7th Grade Summer Reading” using the Class Code: ALOBRR and complete all assignments posted. Please make sure you work independently, answering the questions in complete sentences when necessary, using only the novel as a reference. No additional outside sources should be consulted. If necessary, you may print out the questions from the website, and submit handwritten answers upon your return to school.

This assignment will be due the first week of class, and will serve as your first project grade of 1st Form. *The Outsiders* will serve as the novel for our first unit in class, therefore you will have additional assignments connected with the book during the first quarter. Have a wonderful summer and happy reading!

Sincerely,

Your 1st Form Language Arts Teacher
